Location

The meeting will be conducted as a *GoToWebinar* and be facilitated from the 11th floor reading room (11153) of SSMC4 in Silver Spring, Maryland.

Participants

Advisory Council Representatives; Acting Director, ONMS; Acting Deputy Director, ONMS; Communications Director, ONMS; National Advisory Council Coordinator, ONMS; National Advisory Council Specialist, ONMS; and Advisory Council Coordinators.

Purpose and Objective for the Meeting

The meeting will provide an opportunity for advisory council chairs, or representatives, to review and discuss the current draft of *Our Vision for the Future: A Five-Year Strategy for Ensuring Growth and Relevance of the National Marine Sanctuary System*. The attached version incorporates thoughts and ideas from the ONMS Leadership Team and, in time, will be finalized such that it considers additional input from a suite of reviewers on the goals and objectives.

Preparing for the Webinar

In preparation for this discussion, advisory council chairs, or representatives, are asked to review the current draft of *Our Vision for America's Treasured Ocean Places: A Five-Year Strategy for the National Marine Sanctuary System* and come prepared to offer their thoughts, comments, or questions. They are asked to consider outside trends or uncertainties (e.g., political, economic, decreased visitation) that may affect ONMS's efforts to achieve the stated vision, goals, and objectives.

PLEASE NOTE

ONMS staff are utilizing *GoToWebinar* as a mechanism to facilitate the discussion (e.g., raising hands, asking questions) amongst such a large group. A webcam may be setup so that attendees can communicate face-to-face with the ONMS Acting Director, when appropriate.
