

Mokupāpapa Discovery Center

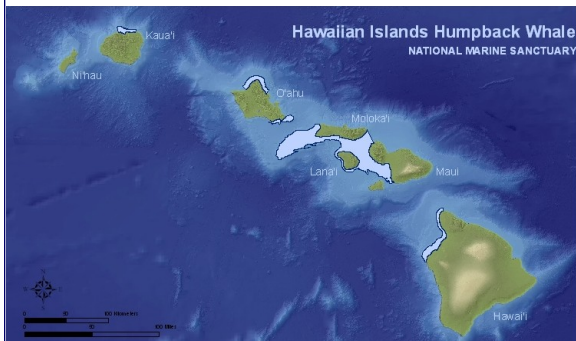

Third Thursday Lecture Series Presents:

“45 Ton Whale Talk”

Join Justin Viezbicke, Hawaii Island Programs Coordinator for the Hawaiian Islands Humpback Whale National Marine Sanctuary, as he presents for you interesting information about humpback whales. Learn about their anatomy, behavior, current threats, why they make the journey from Alaska to Hawai‘i and what they do while they are here.

Presented By: Justin Viezbicke

Thursday, February 16th, 2012

6:00 - 7:00 p.m.

Mokupāpapa Discovery Center, Hilo
